STALLHOLDER FEATURE

Cards By Suzanne

At *Cards By Suzanne* we have taken the art of Quilling and Paper Toile and turned them into handmade greeting cards and gifts with a difference.

Even if you didn't make it yourself, giving someone a handmade card or gift just seems so much more personal.

We are a home based Canberra business and we pride ourselves in creating quality Australian made products and we only use Australian suppliers.

See Suzanne with her creative cards and paper craft at our market today (just inside the main hall) or for more info please visit www.cardsbysuzanne.com.au

Please note unfortunately the Jetty Café is unable to open during market hours anymore

We are looking at alternatives but if anyone is interested in running a tea & coffee stall please come have a chat. An urn and kitchen is available for this purpose

Hotmail Email Addresses!!

FYI - for those with hotmail email addresses. When I have sent out email updates during the month I have noticed those with hotmail email addresses have been rejected. It started to occur late in the month so if you have not received an email from me in a while this maybe why - maybe hotmail have updated their security checks?

Have a great day
