## Welcome to 2009

Our aim is to provide an enjoyable, comfortable experience for stallholders and visitors away from the winter chills and hot summer days. We welcome **ALL** stallholders .....

For newcomers and for regulars as a reminder please find below some general info about us for your reference:

- We are community market held the last Sunday of each month
- Being a Sunday there is free parking all around the building (you can park down the side of the building, in front and across from the building)
- Stallholders have access to set up from 8.45-9am on market day to be ready by 10am when the market is open to the public
- We are open until 2pm (stalls must remain in place until that time)
- You can pre-pay for your site and go in the draw to win a months site fee's for free or can pay on the day
- We have a monthly newsletter that is available from our website and from the market each month
- Stallholders are welcome to send through articles and profiles about their product/service for the website and newsletter (photo's & graphics also welcome)
- The stallholder must ensure presentation standards are of the highest quality (boxes & bags etc must be kept neatly out of sight)
- All sites must be operated in a safe manner and most of all
- Stallholders must enjoy themselves :0)

## Winner of FREE Stall

**Kathy McNamara** from Soy Sensory Candles is this month's winner so receives a **FREE** stall next month.

Remember pay your site fee in advance and go in a draw to win a free stall the following month (*first in best dressed - stalls paid in advance will get priority over other sites*).

## PAYMENT

For those who pay on the day—to streamline the process I'd be grateful if you came to the market information desk and paid your stallholder fee when you check-in or soon after you have set-up so we can all enjoy the rest of the day.

## No Café today

Apologies we don't have a café today but I have organised for a new Mobile Café to start with us next month.

## Market For Sale

Unfortunately due to other commitments I *may* have to sell the market. To ensure it continues to stay open and part of the Tuggeranong Community I am not asking for a lot of money just enough to cover costs. The market website, stallholder database, all signage and heaps of training is all part of the sale – if you are interested please come have a chat. I won't sell it until I am sure it is going to the right person and remains open. So please continue to support the market and everything remains the same until further notice.

New to the market this month - **Larissa Bright Australia** is a natural range of skincare, bodycare & mineral cosmetics. Katie Matthews is a Gold Executive Consultant and is here today with these great all natural products. Please check out her stall and ask about pamper parties, Hostess Awards, test the skincare, mineral makeup and more .....
